

Jindal Steel & Power Limited Renamed as Jindal Steel Limited

New Delhi | 22 July 2025 — Jindal Steel & Power Limited has officially changed its name to **Jindal Steel Limited**, effective **22 July 2025**, following approval from the Registrar of Companies, Ministry of Corporate Affairs, Government of India.

The change reflects the Company's sharpened focus on its core business in steel and its strategic direction as a dedicated, future-forward steel enterprise. The new name reinforces clarity of identity, both within India and globally, while maintaining continuity with the Company's legacy and values.

This change has been effected in accordance with Rule 29 of the Companies (Incorporation) Rules, 2014. The Certificate of Incorporation reflecting the new name has been issued by the Registrar of Companies and is enclosed with this communication.

There are no changes to the Company's Corporate Identification Number (CIN: L27105HR1979PLC009913) or its registered office address, which remains:

Jindal Steel Limited, O.P. Jindal Marg, Hisar – 125005, Haryana, India

Jindal Steel will continue to operate as a public limited company limited by shares under its new name. All existing rights, responsibilities, obligations, and contracts remain unchanged and fully valid.

All stakeholders, partners, and members of the public are kindly requested to take note of this change. Necessary filings have also been made with the stock exchanges and other relevant statutory authorities.

Enclosure: Certificate of Incorporation under change of name (COI)

About Jindal Steel

Jindal Steel is an industrial powerhouse with a strong presence in the steel, mining, and infrastructure sectors. With a strategic investment of \$12 billion worldwide, Jindal Steel is consistently enhancing its capacity utilisation and operational efficiencies, seizing opportunities to contribute to a self-reliant India. As a leading steel manufacturer, Jindal Steel is deeply committed to reducing its carbon footprint and pioneering sustainable practices, setting new benchmarks for responsible industrial growth.
